Create memorable custom wedding gobos with Rosco's Wedding Templates. Personalize your Wedding reception by displaying your name and wedding date in lights. Bring your wedding color into play by adding a Rosco Gel color.

Personalizing your custom gobo can be done in three easy steps

- *Select a layout (wedding/monogram number)*
- *Select a font (using the font number)*
- *Supply the details (names, dates, fixture, and quantity)*

After you have made your selections, please contact us and we will be able to get you a price for creating your special wedding gobo. Prices range from \$75.00 to \$200.00 for the gobo and light rental. You will get to keep the gobo as a keepsake from your wedding as well.

Orders must be submitted to us 4 weeks in advance of your wedding date for custom gobo orders so that the gobo can be made and shipped to us in time for your wedding day.

If you have any questions or need some design help, please feel free to call us at anytime.
